

Building a Values-Driven Enterprise

VRNDA is a values-driven initiative of ISKCON Mangalore focused on building a professionally managed enterprise offering premium food products and significant experiences through restaurant, retail, e-commerce and collaborations.

We create meaningful value for customers, communities and future business leaders.

Our Purpose

To build a trusted enterprise that delivers premium products and services with purity, quality, sustainability and devotion.

OUR VISION

To be one of India's most respected values-driven enterprises known for quality, integrity and positive impact.

OUR MISSION

- Deliver premium quality products
- Create memorable customer experiences
- Promote ethical and sustainable business
- Empower communities
- Develop future business leaders

What We Focus On

We operate across multiple business verticals that create value for people and society.

“ We are building an organization that delivers products and services with purity, quality, and devotion. ”
